

by this Act [see Short Title of 1977 Amendment note below] shall take effect 120 days after the date of enactment of this Act [Nov. 9, 1977]. The Secretary of Labor and the Secretary of the Interior are authorized to establish such rules and regulations as may be necessary for the efficient transfer of functions provided under this Act. The amendment to the Federal Coal Mine Health and Safety Act of 1969 made by section 202 of this Act [amending section 842(e) of this title and repealing subsec. (k) of section 878 of this title] shall be effective on the date of enactment [Nov. 9, 1977].”

EFFECTIVE DATE

Section 509 of Pub. L. 91-173 provided that: “Except to the extent an earlier date is specifically provided in this Act [see Short Title note below], the provisions of titles I and III of this Act [subchapters I and III of this chapter] shall become operative ninety days after the date of enactment of this Act [Dec. 30, 1969], and the provisions of title II of this Act [subchapter II of this chapter] shall become operative six months after the date of enactment of this Act. The provisions of the Federal Coal Mine Safety Act, as amended [section 451 et seq. of this title], are repealed on the operative date of titles I and III of this Act except that such provisions shall continue to apply to any order, notice, decision, or finding issued under that Act prior to such operative date and to any proceedings related to such order, notice, decision or findings. All other provisions of this Act, shall be effective on the date of enactment of this Act [Dec. 30, 1969].”
